Jackson's newest and finest manufactured home community designed especially for you!

You'll find quality lifestyle, affordably priced, at the Highlands. We have all the benefits of country living while still being conveniently located. Just south of the Crossgates exit at I-20 East, on Greenfield Road, you'll be near shopping centers, churches, Brandon schools, and major employment opportunities. You'll be minutes to the Jackson airport or a short commute to downtown Jackson.

The Highlands community boasts many features setting us apart from other manufactured home parks. Among the most notable are our spacious lots situated on rolling meadows...you'll have the feeling of living on your own country estate.

Because the Highlands is a planned community, we offer you many amenities not usually found in a manufactured home park. We have paved streets. Each lot has a large concrete patio or wood deck and 2-car, off-street concrete parking spaces. To complement your active lifestyle, we have a clubhouse, 2 swimming pools and a basketball court. The private lake and park with barbecue pits are other features that set the Highlands

apart. "Patrick Farms Golf Club", located next door, is a semi-private 18 hole golf course.

Our professional staff is always available, ready to provide for your needs. We care about you as a resident of the Highlands, a community carefully

developed and maintained with proper restrictions to assure your lasting satisfaction.

The Highlands community is a place you'll want to call home...Come See For Yourself! We know you'll stay.
